Setting Up the Reserve Shelves

Ordering Media from the Storage Library and the Sempacherstrasse

Send us a list with the book titles and the title of the course.

Ordering Media from the Uni/PH building

Send us a list with the **titles** and their **shelf marks** as well as the **title of your course**.

You can also get the media directly from the shelves and hand them over at the information desk. Non-circulating copies (copies that cannot be borrowed) are preferred to circulating ones.

Order Deadline

To ensure processing in due time, the list must be handed in no later than 5 weeks before the start of term.

Removing the Course Reserves

The course reserves will be removed at end of January (fall term) and at the end of June (spring term).

Transferring Media from a Private User Account to the Course Reserves
